

# Ingredient List October 2024 – August 2025

## Lunch

**Efforts have been made to ensure the accuracy of this list; however, manufacturers may change their formulations without notice, or distributors may make substitutions to Good Food Company's food order without notice. Manufacturers may produce items with allergens on the same line as other products. It is suggested that children with life-threatening allergies not participate in Good Food Company's meal program.**

**Good Food Company does not menu anything with tree nuts or peanuts. We do not process any peanut/nut products. No other known tree nut/peanut products are on our menu. We do not purchase foods that state that equipment that processes nuts is shared with any of the items that we purchase.**

**Nothing is added to our cooked vegetables such as butter or salt unless noted below.**

**Salad dressings are sent on the side.**

**Milk for drinking is ordered by each individual customer and should be age appropriate.**

**Cheese items are often used as ingredients in recipes. Other times, it is sent separately as a condiment. It is sent separately from the entree only if it appears in the left-hand column with the word "Grated" before it. If it says "grated cheese" it is sent separately from the entree.**

**This list of ingredients is not necessarily in the order of predominance for each recipe.**

**This list is in no particular order, but it can be searched by using "Ctrl f" and entering your search term.**
